Main Particulars

Modern 7-Bedroom Accommodation for Care Leavers in Nottingham

This thoughtfully designed 7-bedroom property offers care leavers a secure, contemporary, and welcoming environment to call home. Each room is fully furnished with a comfortable bed, wardrobe, desk, and cozy bedding, ensuring a personal space for both relaxation and study.

The communal areas are stylish and functional, with a spacious open-plan living room that features comfortable seating, a mounted TV, and minimalist, modern decor. The room is well-lit, offering a homely atmosphere where residents can socialise or unwind. The large bay windows allow ample natural light to create an airy and inviting space.

The kitchen is equally impressive, equipped with modern appliances, ample storage, and plenty of counter space, making meal prep easy and convenient. The dining area provides a perfect spot for shared meals or casual chats, fostering a sense of community among the residents.

There are multiple bathrooms, all featuring modern fixtures and sleek designs, ensuring convenience and privacy for all occupants. The clean and bright aesthetics of the bathrooms make them a pleasant space for everyday routines.

This property is more than just a place to stay—it's a supportive home where care leavers can thrive, find comfort, and build a community. With modern amenities, stylish interiors, and a welcoming atmosphere, it offers both peace and stability for its residents.
